THE CANADA LANCET

A HIGH-CLASS MONTHLY JOURNAL WHICH CIRCULATES FREELY THROUGHOUT NORTH AMERICA.

It is well-known that the medical men of Canada stand high in point of culture and ability; they rank with those of any country in the world. The Canadian schools and hospitals are also famous for their efficiency and thoroughness. A journal drawing its material from such sources must necessarily contain much of interest not only to the Canadian but to the United States practitioner. The CANADA LANCET circulates freely in both countries.

In addition, the CANADA LANCET contains many valuable papers contributed by the leading medical men of the United States. It aims to be cosmopolitan rather than local. No practitioner anywhere in America is thoroughly conversant with the latest developments in medicine unless he keeps the CANADA LANCET on his list.

It is a conservative journal which carefully avoids sensationalism and anything which savours of quackery. Because of this quality it appeals strongly to all those who believe in the highest standards of the profession. It is the oldest and largest medical journal published in the Dominion of Canada, with the largest bona fide circulation. It has correspondents in all the Canadian Medical centers.

Established 1867. **$2.00 per year.**

THE CANADA LANCET,

63 Yonge Street, TORONTO, ONT.

Sanitary and Artistic methods of floor finishing should interest every physician. Free samples of finished woods and full particulars upon request.

La Revue Medicale du Canada

PUBLISHED WEEKLY.

ATTENTION is called to the following facts, which interest both Physician and Advertiser:

"La Revue Medicale du Canada" is the only French WEEKLY publication of the kind in both Americas. Within the last year it has been continuously improved and both its scientific and business matter much increased.

"La Revue Medicale du Canada" has a CERTIFIED circulation which is the widest and best established of all among French speaking physicians in Canada and the United States.

A glance at the list of the members of its editorial staff will immediately convince one of the worthy position it holds among medical publications. The names of

M. T. BRENNAN, M. D., Editor in Chief. Professor of Gynecology in Laval University; Gynecologist to Notre Dame Hospital,

WM. J. DEROME, M. D., Professor of Chemistry, Bacteriology and Physiology—Faculty of Comparative Medicine, Laval University. **HUGH LENNON, M. D.,** Assistant Editors.

A. ETHIER, M. D., Secretary. Lecturer on Clinical Surgery, Laval University; Surgeon to Notre Dame Hospital.

J. P. ROTTOT, M. D., Dean of the Faculty of Medicine, Laval University; President of the Medical Council of Notre Dame Hospital; Professor of Medicine, Laval University.

E. P. LACHAPELLE, M. D. Chevalier de la Legion d'Honneur; President of the Provincial Board of Health; President of the Board of Governors of the College of Physicians and Surgeons of the Province of Quebec; Professor of Hygiene and Deontology, Laval University.

COYTEUX PREVOST, M. D. Gynecologist to St. Luke's Hospital, Ottawa. Etc., etc.

P. P. BOULANGER, M. D., Administrator.

E. W. LECOURS, Pharmacist Correspondent.

EUDORE DUBEAU, L.D.S., D.D.S. Dental Correspondent.

speak for themselves, and are a guarantee for the good and serious work undertaken by **"La Revue Medicale du Canada."**

Herewith we give the solemn declaration of the printer of **"La Revue Medicale"** as to its wide circulation.

It will then be clearly seen that **"La Revue Medicale du Canada"** being the most authorized Medical Journal of its kind, by the value of its editorial staff and by the extent of its circulation, is without contest the best medium for advertisements designed to reach the French speaking members of the profession.

With regard to its circulation the advertising rates are relatively lower than those of any other similar publication.

For information and rates write to

"LA REVUE MEDICALE DU CANADA,"

62 St. James Street, MONTREAL.

PRINTER'S DECLARATION FOR CIRCULATION:

I, Henry Owen, of the city of Montreal, Printer of the firm "Owen Printing House," do solemly declare that since the 18th day of May, 1899, our firm has printed "La Revue Medicale."

That since that date, we have regularly printed "La Revue Medicale" each week and that previous to April 1901, we never printed less than 1,500 copies weekly, and since, never less than 1,800 weekly and that its circulation has reached 3,000, the specimen numbers comprised.

We also have several times MAILED "La Revue Medicale."

I do make this solemn declaration, knowing it to be TRUE, and having the same force and effect as if made under oath, under the provisions of the Evidence Act, Canada, 1893.

DECLARED before me, at Montreal, this 13th day of August, one thousand nine hundred and three.

H. OWEN.

L. A. HART, Public Notary.

℞ CONSTRUCTIVANS

(Glycerita Morrhuæ Compound.)

A Glycerate of Cod Liver Oil, combined with the Glycero-Phosphates of Lime, Soda, Potash, Iron and Manganum—Aromatized.

A real tonic to the nervous structures, supplying the exhausted and enervated cells with Phosphorus in exactly the same state in which it is naturally present in the human system.

Indicated in Anæmia, Neurasthenia, Tuberculosis, Phosphatic Albuminuria, Scrofula, Diabetes, Sciatica, Rickets and Convalescence from Acute Diseases.

℞ Constructivans contains no sugar; thus eliminating the danger of fermentation of the contents of the stomach. As the Alkaloidal principles of Cod Liver Oil is used, consequently no gastric-disturbing fish oil.

℞ Constructivans stimulates the appetite, favor the assimilation of Albuminoid substances and of the phosphates of the food, increase blood formation, improve metabolism, and augment the excretion of nitrogen.

Advertised exclusively to the medical profession.

IT SUPPLIES A HOME. PROTECTION, tender care and first-class medical care for girls and women who have been unfortunate. During the past eight years over twelve hundred girls and women have passed through the Home. Christian (non-sectarian) instruction and training is the first object of this institution, and the best fruits of its work is shown in the steadfastness and preseverance with which a very large proportion of those who have been under the care of the Home have adhered to their Christian vows.

No argument is needed in favor of saving our unfortunate sisters for whom Beulah Home has been established. The girls reached by the home are being permanently saved for lives of usefulness. Not only are they led to Christ and every effort made to establish them in right living, but they are prepared for bread-winning pursuits, and good Christian homes are found for them when they leave us.

MELBOURNE METHOD

for the SCHOOL AND HOME CURE of

Stuttering and Stammering.

THIS SCHOOL and Home Cure is under the teaching and direction of Frank G. Norcross, not a doctor of medicine, but a man who has thoroughly studied the physical control of speech as related to mental irritability and irresolution of the motor brain tissue. The teaching induces a mental tonicity sufficient to a complete control of the physical requisites of speech, thus eradicating the false nervous opposition to nature's precious gift.

CANCER.

The majority of the general practitioners still labor under the erroneous idea that the only remedy for SKIN CANCER is the knife.

Aside from the uncertainty as to the permanency of a cure in epithelioma after a surgical procedure the physician has to contend with the inevitable dread the patient has for the knife, which in many cases cannot be overcome with any argument. The individual afflicted with the neoplastic growth readily welcomes any other treatment which will promise him a cure, and is quite willing to pay a good price for a treatment which does not include the knife. These facts have been recognized by the cancer charlatan for many years past, and has enriched him with the undeserved earnings which the legitimate practitioner of medicine should have realized.

Neocidine has been prepared with that idea in view—of helping the general practitioner. It has been used with success by a number of prominent physicians. It has brought about permanent cures in every case of cutaneous cancer in which it was employed.

We will send an ounce jar of Neocidine to any physician by mail upon receipt of $1. This quantity is usually sufficient to cure ten ordinary cases of SKIN CANCER.

THE HILLCREST SODA SPRINGS

GREENWOOD, Jackson County, MISSOURI.

THE HILLCREST SODA SPRINGS have for many years enjoyed a local reputation for their beneficial properties.

These Springs are located near the village of Greenwood, Mo., twenty-five miles from Kansas City, and with an environment which assures the sources absolutely free from possibility of contamination by organic or other deleterious matter.

Not only is the water pure and wholesome, but it is delightfully palatable and refreshing for table use.

The taste of soda is to some persons pronounced, and, at first, not relished; but this is changed, after a short experience with the water, into a great source of enjoyment. No other water can be drank in such quantities with beneficial effect and no discomfort, hence its great advantage in cases of uric acid diathesis, rheumatism, Bright's disease, neurasthenia, indigestion, jaundice, and in fevers where the free use of good water is so clearly indicated, and for which mineral waters have been suggested. Occasionally a slightly cloudy appearance may be noticed in the water from the precipitation of the soda.

The water preserves in a remarkable degree, its original properties, due to the fact that fermentation does not occur even after long standing.

The analysis of the water by Professor Schweitzer, of the Missouri State University, shows it to be very similar to that of the famous Belgian Spa, and of the type of the Buffalo Lithia water, and the soda water of Manitou:

		Gr. in Gall.
Sodium Bicarb	NaH C02	57.4211
Lithia	LiC02	trace
Sodium Silicate	Na2 Si03	6.7678
Magnes Bicarb	MgH2(C03)2	0.4690
Calcium Bicarb	CaH2(C03)2	2.5005
Ferrous Bicarb.	FeH2(C03)2	2.3395
Oxygen	for Fe0	0.1051
Specific Gravity		1.0012

Singularly free from lime, which is in excess in many spring waters in this section of the country; with the valuable combination of soda and iron, the Hillcrest Soda Water is justly entitled to the distinction accorded it by Professor Schweitzer, as the typical Chalybeate Water. These springs are the property of **Dr. GEO. C. MOSHER, Kansas City, Mo.**

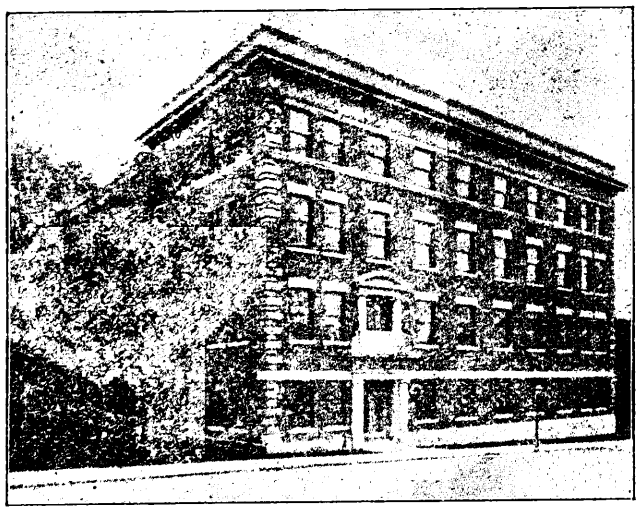
UNIVERSITY HOSPITAL,

1005 Campbell Ave., Kansas City, Mo.



THE University Hospital, located on grounds adjoining the University Medical College, is owned and controlled by the trustees of the College. The Hospital now has a capacity of about fifty beds. Connected with it is the University Training School for Nurses, consisting of a two years' course. The Trustees expect this Summer to add one or two more buildings to the Hospital, doubling or trebling its present capacity. The present building has recently been thoroughly remodeled and is in good sanitary condition, The operating rooms are newly supplied with all the most modern up-to-date appliances, which are at the disposal of the Surgeon or Physician sending or treating patients here. This Hospital is open to all, without respect to *credo* in medicine or religion. While there is no fund back of the Institution to apply to non-paying patients, the price of some of the rooms and beds in the wards is so low as to be within the reach of people of limited means. It is the aim of the management to have at hand all the essential modern improvements that the best results of medical and surgical skill may be obtained. Besides the Superintendent there are selected each semester, from the College, three internes, and a well trained body of nurses, who are not only competent but vigilant and faithful in the discharge of duty, and are constantly in charge.

FLAVEL B. TIFFANY, A. M., M. D., Manager.

ALBERTA T. MOFFET, M. D., 104 Hunter Avenue, KANSAS CITY, MO.

H. L. McElroy, Kansas City, Mo. KANSAS CITY, MO., March 10, 1894.

Dear Sir:—I have made a complete qualitative and quantitative chemical analysis of the Jackson Lithia Spring Water submitted by you and find each U. S. gallon of 231 cubic inches, to contain—

This water combines the alkaline reaction of the Sodium and the Lithium Salts with the aperient properties of the Free Carbonic Acid Gas and other constituents. It is mildly laxative and diuretic. Its alkalinity renders it valuable in disorders of the digestive tract, and in combination with the Lithium becomes a solvent for Uric Acid; and, therefore, is useful in Urinary Calculi, many kidney disorders, and most all diseases of the bladder. Yours Truly, CLAUDE C. HAMILTON,
Analytic Chemist, University Medical College.

Prescribed and Endorsed by all the leading Physicians of Kansas City.

It is pronounced by many physicians to be equal, if not superior, to any in America for Kidney, Bladder and all urinary derangements, for Rheumatism, Gout, Dropsy and all diseases caused by excess of uric acid. It is excellent for Bright's disease, Diabetes, Gravel, Dyspepsia and Indigestion. Being an aperient, it is useful in fevers. Mildly laxative and diuretic. Excellent for women during pregnancy and after childbirth. Besides the great medical properties of this water it is most delightful for table use. In order that it may be in reach of everyone, we place it upon the market at the exceedingly low price of $3.00 for 10 gallons, in a galvanized iron can, with faucet. If the can and faucet are returned to us in good condition within sixty days after purchase, we will give $1.50 for them, making the 10 gallons of Lithia water cost only $1.50. 1 doz ½ gal bottles, $4.00. For prices of water in other quantities and of carbonated goods, address **JACKSON LITHIA SPRING WATER,** 11 East Missouri Ave., **Kansas City, Mo.** Tel. 2190. A liberal discount to the trade.

CALICOLO

THE POSITIVE TREATMENT FOR

CONSUMPTION

Will not derange the stomach, or any other organ, under any circumstances.

It is marvelous how quickly **CALICOLO** controls the constant and distressing night cough, without a particle of sugar, codeia, morphine, heroin, opium, chloral or any other narcotic.

If the sputum has been green, foul smelling and full of bacilli, its character will change within a week.

Constant and distressing Chills will invariably stop, in any climate, within 48 hours, even if they have existed for months.

Chronic diarrhoea or obstinate constipation will be fully corrected during the course of the treatment. The fecal discharges will, at first, become very dark, like tar, full of yeast and toxic material. (It takes several days to eliminate these dangerous products.)

The urine will begin to change within a week, and soon become normal, if there is no Bright's Disease.

The skin will lose its cold, clammy feel and sallow color and become warm, thicker and clear. The hair and nails will grow rapidly and become flexible. The color of the ears. lips, gums and finger nails will soon become pink. The veins in the wrists will assume a light blue color in place of purple. No one will be compelled to lie in bed or leave off any ordinary occupation on account of the treatment.

CALICOLO is applicable to all stages of **Comsumption** as the same cause always exists. However, the treatment has to be modified as directed.

CAN YOU POSITIVELY GUARANTEE any of the foregoing by any treatment at your command?

Regular size treatment, sufficient for one week, delivered for $2.00, or Jobbers supply your druggist. Printed matter.

P. S. — **CALICOLO** is, at the same time, the **THE GREAT TISSUE BUILDER.**

J. W. WILBUR,

Superior Manual Training School, elegant home, number of inmates limited to thirty, fifty years' experience in the work, habits of the inmates carefully guarded and closely watched, as can be done with the small number of inmates, but simply impossible in the large institutions.

The admirable influence of a school and home, we offer, such as cannot be equaled in this country, and the American establishments of this kind are far superior to those abroad. Write to the Superintendent or General Manager, for terms which will be found to be very moderate.

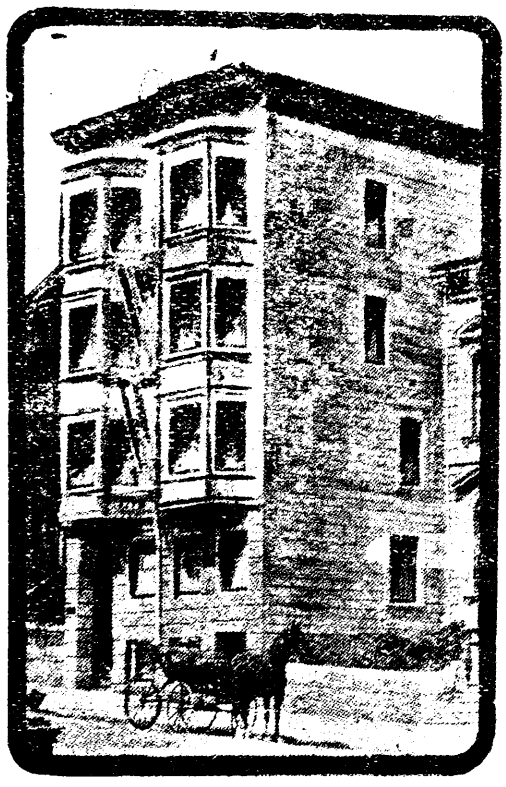
THE A. MILES TAYLOR SANATORIUM



THE A. MILES TAYLOR SANATORIUM, one of the most perfectly equipped and most thoroughly aseptic private hospitals in the State, a new six-story building, was formally opened September 15, 1901.

A fast-running noiseless electric elevator gives access to each floor. Fire escapes are erected at both front and rear of building with hydrants and hose on every floor.

The rates range from $15 to $50 per week.

Physicians may attend their own cases in this hospital with the full assurance of receiving all professional courtesies.

RUPTURE (OR HERNIA)

and Diseases of the Rectum.

PEOPLE TO-DAY that are afflicted with Diseases of the Rectum and Hernia (or Rupture) consult a reliable Specialist.

Inquire into his methods, consult him and examine the results of his treatment compared to others and you make no mistake in obtaining the very best treatment of your case. Diseases of the Rectum are seldom treated with any success by a local Physician. It requires time and experience, that which he cannot give, and the only successful treatment and cases that are cured permanently by a specialist of experience and ability.

Diseases of the Rectum and Hernia are cured in this way. My methods are the latest and up-to-date, giving my patients the advantage of the most skillful treatment.

DR. E. E. ROHRABAUGH,
Chicago's Noted Rupture Specialist.

DR. PIPER'S

Combined and Improved Galvanic and Faradic Battery.

Effective, Simple and the most complete Battery on the market. No liquid to spill but always ready for use. Not unwieldy, but compact and handy, making it very convenient to carry when visiting patients.
Either the Galvanic or Faradic current can be obtained or a combination of both, something impossible with any but the more expensive batteries.
Cells are self-registering and are not easily burned out.

DESCRIPTION:

The Battery is made in two sizes; one with 10 cells or 15 volts, and the other with 20 cells or 30 volts. This Battery measures 5½ x 9½ x 2½, and weight 3½ lbs. The boxes present a handsome appearance, being made of antique or English oak, mahogany or imitation mahogany.

WE ALSO MAKE DRY CELL BATTERIES. SEND FOR FOLDERS.

Diplomas

· HIGHEST AWARD · MEDAL AND DIPLOMA · WORLD'S COLUMBIAN EXPOSITION

"Fashion wears out more apparel than the man." It is just so with diplomas. It's the fashion now to have something artistic—something new and better than the old stereotyped forms. The diploma, which will be one of the most treasured possessions of the recipient, should be a thing of beauty. Why not, when it can be had for the same money as one of inferior grade?

We keep on hand a large assortment of lithographed forms for diplomas and certificates, with spaces provided in which you can insert the name of your institution, its location, course of study, etc., thus completing the form; or we can do this work for you, securing perhaps a better result. We have diplomas at prices to suit and can supply them in any number on short notice. If, however, you desire a diploma made exclusively for your school, we will be glad to submit sketches and estimates for approval.

In writing us for samples of diplomas, don't forget to state kind of school and the number needed. It is important that you give us this information. Mention this Directory.

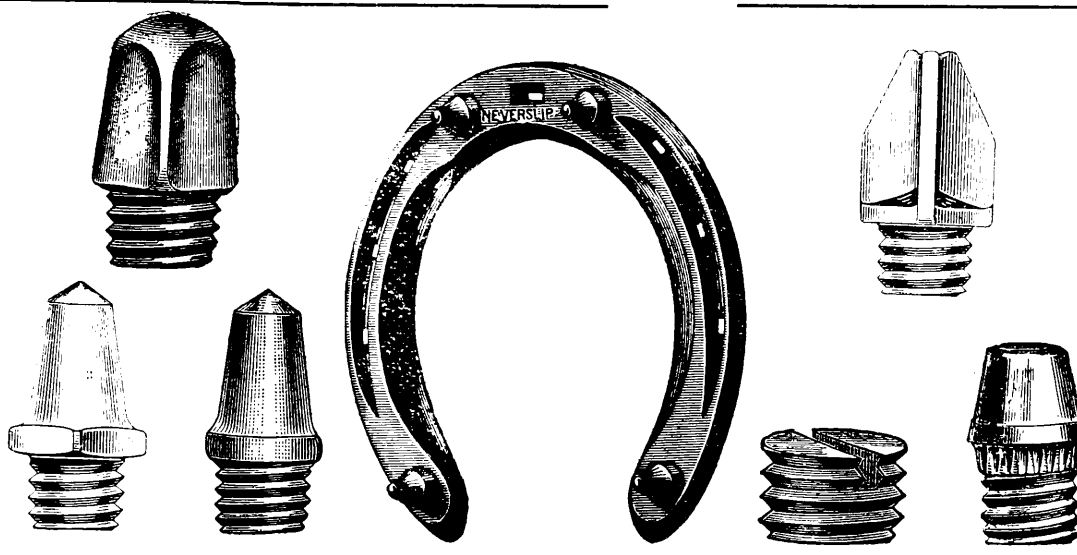
JUST THE THING FOR PHYSICIANS

NEVERSLIP CALKS



Neverslip Calks are steel-centered, self-sharpening calks which can be easily inserted or removed from the shoe on the horse's hoof and keep him "always ready" and safe from falls in slippery weather. They save your horses and save your money. If you're not using them, give them a trial this fall and winter. Your shoer will sell you a set or we will send you a descriptive pamphlet on application.

URON CHEMICAL CO., ST. LOUIS, MO.

URON IN GENITO-URINARY PRACTICE.

DEAR DOCTOR:

We would like very much to get you to try "Uron" with your Genito-Urinary cases.

You will not be experimenting in any sense of the word, as the therapeutic value of "Uron" has been fully demonstrated in the treatment of Gravel, Cystitis, Pyelitis, Prostatitis and in acute and chronic Gonorrhea. It is sedative, antiseptic and diuretic. As an uric acid solvent it has no equal. It can be given for an indefinite period without setting up any irritation. Best results are obtained when given in from ten to fifteen-grain doses night and morning in half glass of water. We will gladly send samples and literature on request.

LYMPH - COMPOUND

GOAT LYMPH—ORCHITIC FLUID COMP.

"After nearly two years' use of the R.-H. Lymph Compound, I am prepared to assert that it is ONE OF THE FEW GREAT DISCOVERIES of modern therapeusis."

WILLIS P. KING, M. D.,
In American Journal of Surgery and Gynecology.

FORMULA

Many times richer in animal derivatives than any known remedy, containing 8 per cent of pure unfiltered goat's lymph and fluid-solution, extracts of cord, brain and lymph glands, and 9 per cent of concentrated unfiltered orchitic fluid. Cellular sediment equal 17 per cent.

ACTION AND THERAPEUTICS

A powerful direct cell tonic nutrient, decidedly increasing cell tone and functioning and waste elimination. **A Tissue Reconstructer. Therefore Indicated** in chronic diseases due to degeneration, malnutrition and chronic infection, notably locomotor ataxia, hemiplegia, chronic joint rheumatism, tertiary syphilis and tuberculosis; unusually curative in epilepsy and neurasthenia.

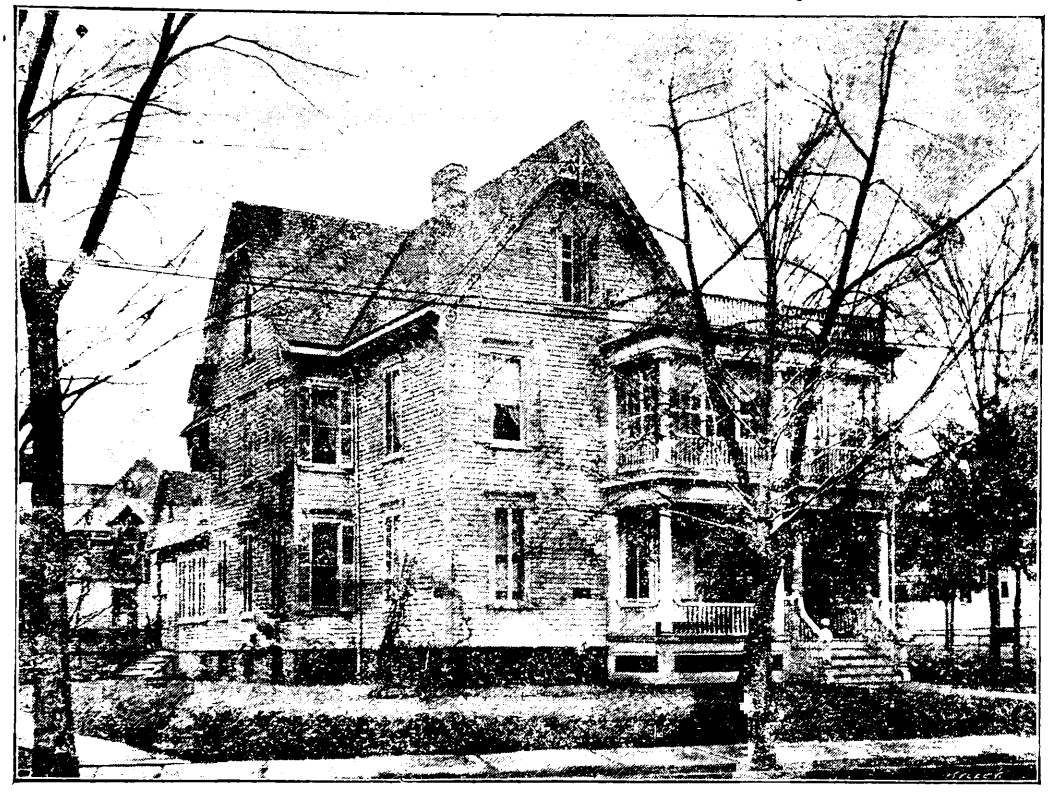
THE CORWIN SANATORIUM.



The central idea of this Sanatorium is the comforts and freedom of a home and the conveniences of an institution having facilities for aseptic surgical work, as well as the therapeutic resources of massage, Invigorating and Eliminative Baths including the superheated hot air Baths.

Special attention is given to the dietetic value of foods and the art of preparing them.

Physicians entrusting their patients to our care are assured of the strictest professional courtesy.

Binghamton has a reputation second to none for attractiveness and municipal improvements.

The city is reached by the Erie, Lackawanna, Syracuse, Utica and Albany railroads and is six hours' ride from New York City.

The expenses are regulated by the needs of the patient with special rates for clergymen, physicians and convalescents. Correspondence invited.

Dr. ELIZABETH CORWIN,
Resident Physician.

Dr. THOMAS S. TURNER,
Surgeon.

Hall's Perfect Abdominal and Uterine Supporters.

The Wonderful Supporter for Replacing the Displaced Uterus and for Supporting the Abdomen after Pelvic and Abdominal Operations.

They Are Based on Scientific Principles and Are Far in Advance of All Others.

We have received many letters from physicians like the following:

Dr. Webster of Chicago: "They are far superior to all other Supporters."

Dr. Boehmer, Sandusky, O.: "They are the only sensible and effective Supporters I have ever used in my practice."

Dr. Myers, Alfarta, Pa.: "I had no idea that an outside Supporter could accomplish what this one does."

They are made in sizes 28 to 46, larger or smaller sizes made to order. In taking the measure take a close measure over the hips, sloping in front, the same as in the cut; this will give the correct size. **Price to Physicians, $4.00.** Sold by all dealers or sent by mail to any address.

DOCTOR! THIS IS WORTH KNOWING.

THE J. C. SCHNOTER SUSPENSORY BANDAGES.—It is a well-known fact that many suspensory bandages on the market are not manufactured on hygienic or correct surgical principles at all. They lack shape, and therefore are useless as a support. Some are made of cheap colored material, causing as a result eczematous scrotal eruption. Some are made, on the other hand, of so thin a material that, after being worn for a day or two, stretch to such an extent as to be perfectly valueless. There is a firm in New York, however, who have for many years made a suspensory bandage WHICH IS A BANDAGE, and which has secured for the firm the endorsement of the medical profession. The house referred to is J. C. SCHNOTER CO., of 523 Sixth avenue, New York City. This Company builds every appliance on true and correct surgical principles, so that it is little wonder that they have attained to the position of confidence already reached"—Canadian Journal of Medicine and Surgery, September 1899.—Ask your druggist for the "GENUINE SCHNOTER'S SUSPENSORY BANDAGES," (Look for our trade mark, J. C. S.) If he has not our make in stock, and refuses to get it for you, send direct to us and we will mail to you in plain wrapper, on receipt of price. SALVATOR MINERAL WATER

WAS AWARDED THE HIGHEST MEDAL BY THE COLUMBIAN EXPOSITION IN 1893.

After a thorough analysis it was awarded the highest praise by the Wisconsin State Board of Health in 1900.

Both in 1887 and 1900, Professor DeLaFontaine of Chicago, analyzed water from the Salvator Springs and pronounced it Bacteriologically Pure.

It is Nature's own Remedy, and is recommended by all physicians in all cases of stomach and kidney trouble, and especially in cases of Typhoid Fever.

CHOOSE A STAMMERING SCHOOL ADVISEDLY. Do not attend and do not recommend a school for the cure of stammering simply because it guarantees a cure. Stammering may be stopped by the substitution of something as bad or worse. The Reed School gives a steadily progressive and very effective course of instruction in NATURAL SPEECH. CHOOSE A STAMMERING SCHOOL ADVISEDLY. Do not attend and do not recommend a school for the cure of stammering simply because it guarantees a cure. Stammering may be stopped by the substitution of something as bad or worse. The Reed School gives a steadily progressive and very effective course of instruction in NATURAL SPEECH. Salo-Sedatus. Prescribe for Fever and Pain —See Page 2.—

This May Interest You, Doctor.

We have a Rheumatic Remedy that has proved efficacious in many obstinate cases. Leading Physicians have used

REED'S PEERLESS RHEUMATIC CURE

in their practice with satisfactory results in the treatment of

Rheumatism, Lumbago, Kidney and Liver Troubles.

It restores the affected parts to a healthy condition, purifies the blood, builds up the cells of the tissues and carries off the effete matter from the system.

It quickens the action of the liver, which becomes torpid in sympathy with the diseased condition of the kidneys, aids the gastric juice and other digestive fluids to operate on the food, thus curing dyspepsia and indigestion. Give it a trial. We want to deal directly with the doctors. We have also

A Remedy for Hay Fever,

which has been used with success. Write us for special information, and price list.

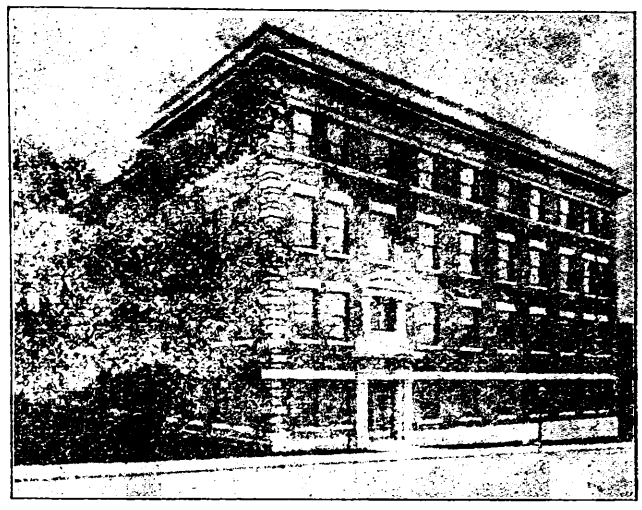
UNIVERSITY HOSPITAL

1005 Campbell Avenue, Kansas City, Mo.



THE University Hospital, located on grounds adjoining the University Medical College, is owned and controlled by the trustees of the College. The Hospital now has a capacity of about one hundred beds. Connected with it is the University Training School for Nurses, consisting of a three years' course. The operating rooms are newly supplied with all the most modern up-to-date appliances, which are at the disposal of the Surgeon or Physician sending or treating patients here. This Hospital is open to all, without respect to *credo* in medicine or religion. While there is no fund back of the Institution to apply to non-paying patients, the price of some of the rooms and beds in the wards is so low as to be within the reach of people of limited means. It is the aim of the management to have at hand all the essential modern improvements that the best results of medical and surgical skill may be obtained. Besides the Superintendent there are selected each semester, from the College, three internes, and a well trained body of nurses, who are not only competent, but vigilant and faithful in the discharge of duty, and are constantly in charge.

Advertising Manager,

Enterprise, U. S. A.

Dear Sir:-

If you wanted your house yaller you'd use yaller paint, wouldn't you? Just so if you desired to cover this broad land with circulars filled with brilliant ideas and telling arguments, you'd want them re(a)d.

If you wish to reach a person at a distance, the most natural thing in the world to do is to write him a letter, is it not? Why not a whole lot of letters to a whole lot of people?

All you need do is to write one letter and we do the rest and we make 'em look like original letters, every one, name, address, signature and all.

FAC-SIMILE LETTERS are manufactured only by the FAC-SIMILE LETTER CO., under our registered trade mark. They have stood the test among the shrewdest advertisers.

Yours very truly,

FAC-SIMILE LETTER CO.

ASTHMA ..AND.. HAY FEVER

Every Physician of experience knows that smokes, sprays and "specifics" cannot cure Asthma and Hay Fever. They but temporarily relieve. The only hope is an eliminative and reconstructive constitutional treatment.

Our Institution was established in 1883, since which time we have treated over 52,000 Asthma and Hay Fever patients.

Our primary object is not temporary relief, but to administer a course of treatment which will so change the whole organism as to eliminate the cause and strengthen the nervous system, leaving nothing in the system that could produce Asthma. The records show that in this we are successful.

After completing our treatment patients enjoy life without the slightest symptoms. Strength, appetite, quiet restful sleep, and good health return. Odors, dust, pollen, colds, exertion or any of the other common irritants cannot bring back the attacks.

The medicines we use are not sold at drug stores and can only be obtained at our office. They are only sent to patients under our care and administered to each case according to explicit directions.

Our Thesis explaining the principles of treatment and containing reports of many interesting cases will be sent free to any physician on request.

A large number of physicians as well as members of physicians' families have been under our care and successfully treated.

Our patients may be visited and the success of our treatment observed in nearly all sections of the United States and Canada, many of the continental countries, and British possessions.

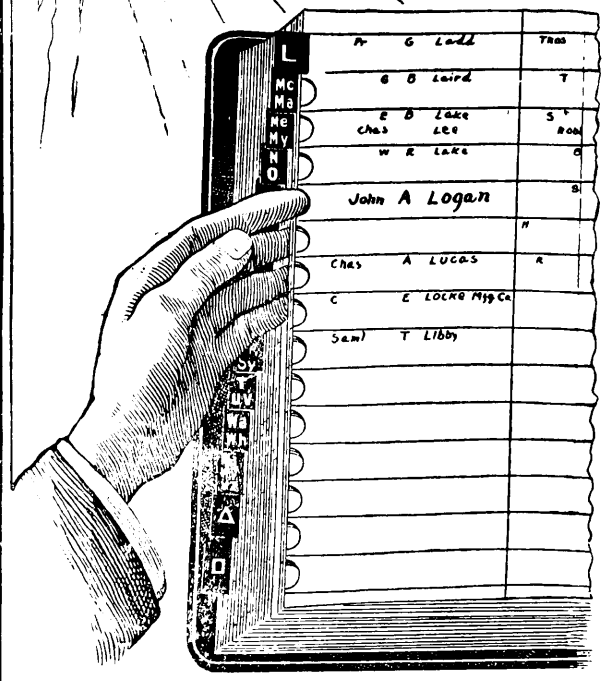
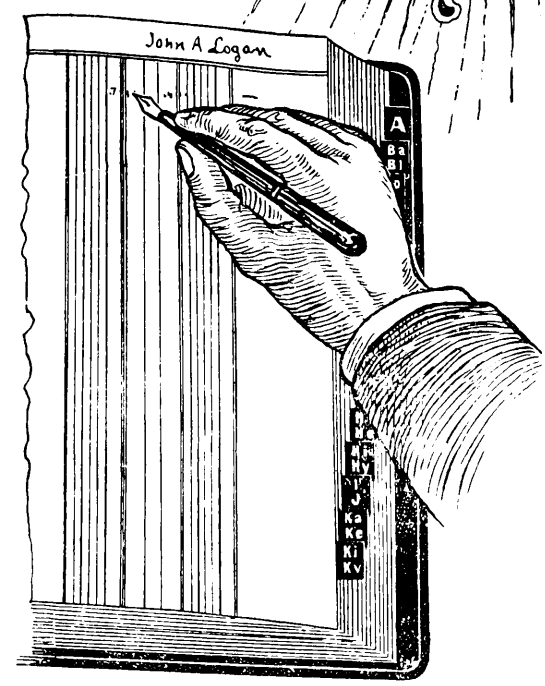
X-RAY BOOK-KEEPING



YOUR LEFT HAND FINDS THE ACCOUNT.



YOUR RIGHT HAND MAKES THE ENTRY

Accounts are handled by names instead of with page numbers. The index is distributed throughout the book from cover to cover, any desired number of pages being devoted to each letter or sub-division. Any account may be given a quarter of a page, half a page, three quarters, one page, or several, as required. The name is written on the index page before the account is started; hence accounts are always indexed. Names are found easily and quickly by means of the patent name finder on the index pages. Accounts are found with the left hand, leaving the right hand free to make the entry. Posting becomes automatic, and errors commonly made with other ledgers are avoided. Bookkeeping is done in half the time and without the usual annoyance.

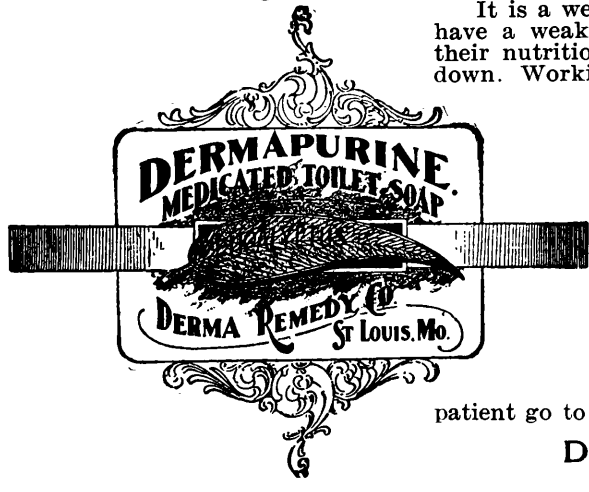
CANCER

THE majority of the general practitioners still labor under the erroneous idea, instilled into their minds during their college days, that the only remedy for **SKIN CANCER** is the knife.

Aside from the uncertainty as to the permanency of a cure in epithelioma after a surgical procedure, the physician has to contend with the inevitable dread the patient has for the knife, which in many cases can not be overcome with any argument. The individual afflicted with the neoplastic growth readily welcomes any other treatment which will promise him a cure, and is quite willing to pay a good price for a treatment which does not include the knife. These facts have been recognized by the cancer charlatan for many years past, and has enriched him with the undeserved earnings which the legitimate practitioner of medicine should have realized.



It is a well established fact that cancerous structures have a weaker resisting power than the normal tissues, their nutrition easily suppressed, and are readily broken down. Working on these facts, chemicals have been selected which are strong enough irritants to cause necrosis of the cancerous elements.

Neocidine has been prepared with that idea in view. It has been used with success by a number of prominent physicians. It has brought about permanent cures in every case of cutaneous cancer in which it was employed.

We will send an ounce jar of Neocidine to any physician by mail upon receipt of $1. This quantity is usually sufficient to cure ten ordinary cases of **SKIN CANCER.**

If you have a case of cancer or any kind of suspicious growth of the skin, Doctor, send for Neocidine and don't let your patient go to the quacks.

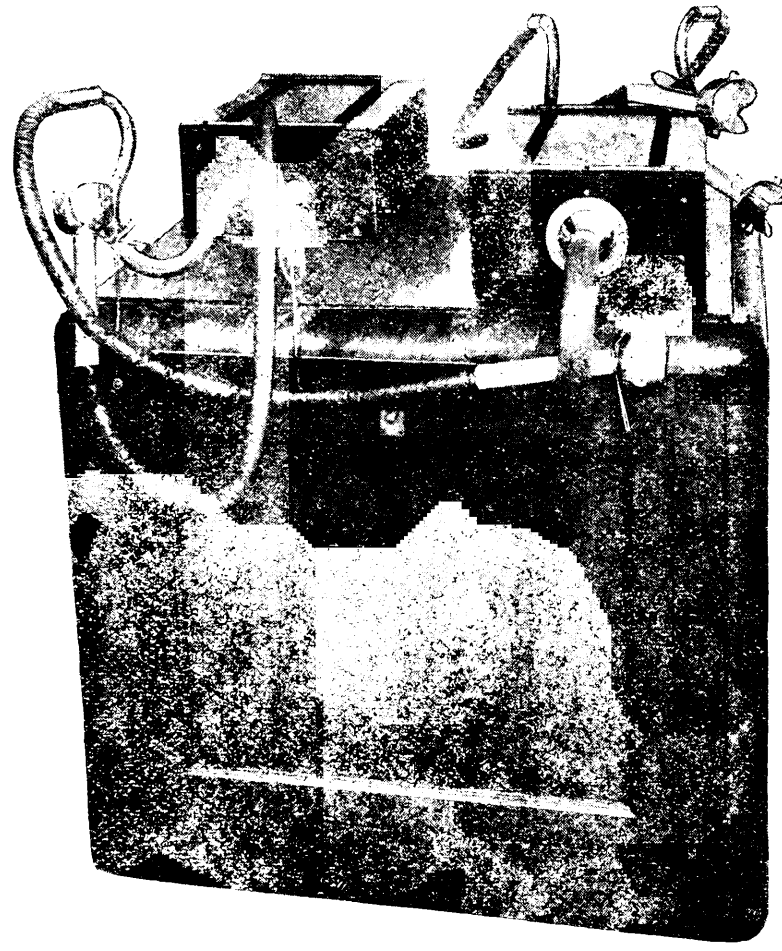
OXYOLINE TREATMENT

(DR. WM. D. NEEL METHOD.)



The Method consists of an Electric Apparatus of High Potential Power for making an Inhalant by the action of Ozone upon Antiseptic volatile Oils. When the Ozone is brought in contact, under this process, with the oils, a new compound is formed which is a Turpine, Camphoric Peroxide.

The new Compound is a pleasant inhalant and has all the good qualities of Ozone and none of its objectionable ones. The highly desirable antiseptic and oxydizing powers of free ozone have been fully recognized, but its irritating effects upon the air passages have rendered it useless as an inhalant.

This fault has been entirely overcome by incorporating the ozone with certain oils which create a complete disguise of the ozone and enables the patient to inhale of the new product, almost limitless quantities without any untoward effects.

DR. WM. D. NEEL METHOD.

The Special Line of Diseases, in which this method has shown great superiority, are acute and chronic INFECTIOUS DISEASES, such as TUBERCULOSIS, SYPHILIS, TETANUS, PNEUMONIA, TYPHOID FEVER and forms of ANEMIC and NERVOUS affections requiring oxydation.

By its antiseptic action OXYOLINE gas destroys all micro-organisms, with which it comes in contact, and by its oxydizing powers upon the blood, it increases red corpuscles and hemoglobin, stimulates metabolism and causes all the organs of the body to properly perform their functions.

All modern Blood Pathologists now agree that the germs of most infectious diseases float abundantly in the blood current.

Medicating the system through that everchanging chemical laboratory, the Stomach, is too uncertain.

OXYOLINE treatment does to the blood just what is wanted; renders it normal. Normal blood and disease are strangers to each other. It is rational and attractive; draws patients and makes of them living testimonials of what scientific treatment will do.

Used in Hospitals, Sanatoria and office practice. Literature sent upon application.

Let Nature Restore You in Nature's Way

AT

ALMA'S FAMOUS SPRINGS,

For those recovering from any serious illness;
For those nervous, weak or worn;
For those who desire an ideal spot where recuperation is rapid and permanent.

THERE is no place on earth the equal of Alma, Michigan. Nature and man combined, have given it every advantage as a place to rest and regain health. The climate is free from sudden changes: the air is pure, dry and invigorating; the two springs, **Alma-Bromo** and **Almarian**, are without equal for healing qualities, and the Alma Sanitarium, with its corps of medical specialists, trained nurses and masseurs, make a perfect health resort, unique in the world. The buildings and equipments of the Sanitarium alone represent the outlay of $300,000.

The waters of the **Alma-Bromo** Spring come from more than half a mile below the earth's surface and have performed many most remarkable cures in cases of Rheumatism, Nervous Prostration, Gout, and Liver Complaint. **Almarian** water is equally as effective in cases of Stomach, Kidney and Bladder Diseases. Thousands of people from all over the United States have visited Alma for treatment with these wonderful waters, and have returned to their homes completely restored to health and strength.

Every means for the entertainment of its guests, both outdoors and indoors, is provided by the Sanitarium. Yet, while every comfort and luxury is provided, the cost of a sojourn at Alma is very moderate.

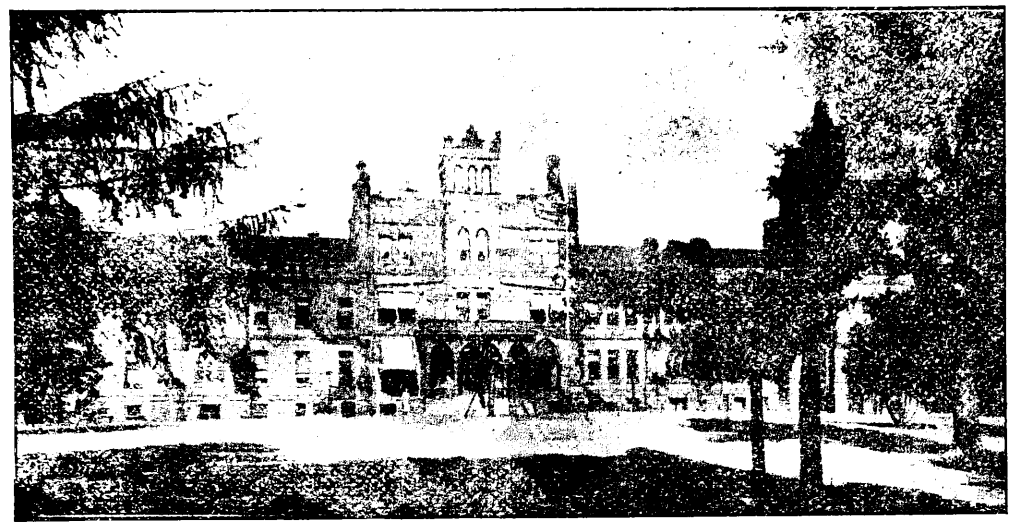
THE ANDREW McFARLAND OAK LAWN RETREAT,

JACKSONVILLE, ILLINOIS.



A SANITARIUM FOR TREATMENT OF MENTAL AND NERVOUS DISEASES.

The only institution in the Central West built and adapted with modern improvements for the care and treatment of such diseases. Location superb, surrounded with seventy acres of picturesque woodland and lawn. Owning our own vineyards, orchards and vegetable gardens, allows us to make lower rates than other first-class institutions. THIRTY YEARS caring for a great number of people, in which time we have never had a case of Typhoid Fever, proving the healthy sanitary condition, also the pure water supply. References—The banking houses of our city and the medical fraternity of the Central and Northwest.

FRANK S. BETZ CO.

FRANK S. BETZ (see cut below) made it possible for the Doctor to purchase his instruments and apparatus at honest prices. He realized that the Doctor was being overcharged on everything he bought simply because the goods were labeled **SURGICAL INSTRUMENTS.** The Mechanic bought equally fine tools at much lower prices. This has all been changed and today the Doctor can buy as cheap as the Mechanic.

In order to accomplish this object it was necessary to build an enormous factory and to dispose of its immense products to the Doctor direct, doing away with all middlemen's profits. In this factory are made over 2,000 different surgical instruments.

PRELIEFLIN ANODYNE LINIMENT

An ounce put up in an elegant perfume drop bottle

This is the smallest bottle of liniment and lasts the longest time of any remedy of the kind offered to the public. ***It is better for the relief of pain than morphine or any internal drug. It contains no chloroform, which is generally found in other such medicines, to drug you by inhaling the vapor.***

It is **penetrating relief liniment,** the smallest, the most lasting and the best of all pain remedies. One ounce or two tablespoonfuls is sufficient to relieve One Hundred patients' sufferings. From time immemorial mankind has sought relief from pain. This is not only an anodyne to stop pain but is an anticeptic healing remedy, which is absorbed and eliminated by the kidneys, hence a sovereign **REMEDY FOR BACKACHE.** Doctors may send for a free sample and a large or small perpetual calendar, both of which last a long time. Get this at your druggists or direct from the German-American Surgical Co., of New York. Rush orders may be **telephoned to 666 North** or send a postal card for sample and a perpetual calendar and **always order two or more bottles C. O D. or send cash to German-American Surgical Co., of New York, 249 North Franklin Street, Chicago, Ill., U. S. A.**

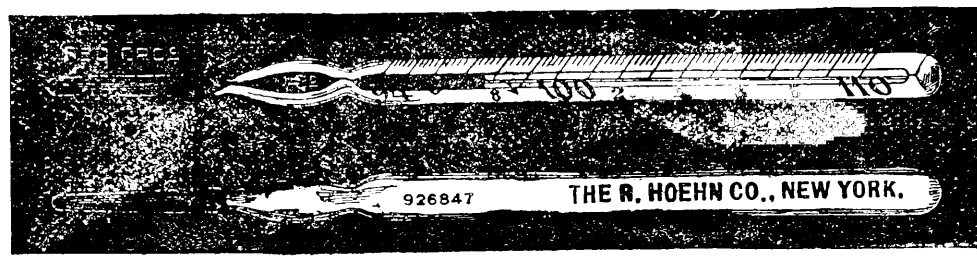
Red Cross Clinical Thermometers.



LIFE or DEATH often depends upon the use of a perfectly reliable Clinical Thermometer. Will your conscience prompt you to use a cheap article in a matter of such moment? To avoid all uncertainty use the RED CROSS Clinical Thermometer; it is positively the best made, and we are willing to stake our reputation upon it. None genuine unless our trade-mark (a RED cross) is etched thereon. Not the cheapest, but the best for the money. **Price, $1.50 each** with certificate. If your druggist or surgical instrument dealer does not handle them, write direct to us. **The R. HOEHN CO.**, 80-82 Chambers St., New York.

ST. ANTHONY'S
HOSPITAL
Orphanage and Home for the Aged

A CHARITABLE institution under the patronage of Bishop Anthony Kozlowski, Polish Catholic Bishop of Chicago, incorporated under the laws of the State of Illinois, in the City of Chicago.

The building is of pressed brick with stone trimmings, four stories and basement; 176 by 100 feet, to be supplied with steam heat, electric light and baths, operating tables, laboratory and hospital appliances for medical and surgical treatment. The structure is already under roof, and part of it is completed and ready for occupancy.

ITS PURPOSES ARE: 1. To give gratuitious treatment to the poor in sickness. 2. To care for aged homeless. 3. To care for friendless orphans, to make good Christians and citizens, through religious influence, those who are condemmed to pass through the houses of correction of the state, and the contagious atmosphere of crime. Its capacity will be for 500 inmates.

JACOB DZIEWIOR, Treasurer.
ALEX. S. LESZCZYNSKI, Secretary, 10 Lubeck Street.

THE KEELEY INSTITUTE,

DWIGHT, ILLINOIS.

THE PARENT HOUSE OF THE KEELEY INSTITUTE SYSTEM.

ESTABLISHED 1880.

For the Treatment of Alcoholic Inebriety, Opium and All Other Drug Addictions, The Tobacco Habit and Neurasthenia.

By the Keeley system functional inebriety is ALWAYS cured and the appetite entirely removed; this is accomplished by elimination and the toning up of the nervous system. There is no nausea or other sickness, but the general health improves from the time the treatment begins. Entire freedom is accorded and there are no annoying or vexatious restraints.

No claim is made that the organic changes of chronic alcoholism will be remedied. By removing the craving or necessity, however, and proper elimination, the improvement in the general health enables nature in time to repair the damage. The history of the treatment of chronic alcoholics by the Keeley system always shows marked improvement of collateral ailments and often complete restoration.

Every patient receives a thorough clinical examination, and the treatment is adapted in all cases to the peculiar needs of each.

Comprehensive literature free upon application and all correspondence strictly confidential.
